

5. Can you SEE God's Purpose Cross?

John 3:16 personifies the Bible in one single-most important statement—the purpose of God portrayed by "God's Purpose Cross."

For God so loved the world, that he gave his only begotten Son, that whosoever believeth on him should not perish, but have eternal life.
(John 3:16, ASV)

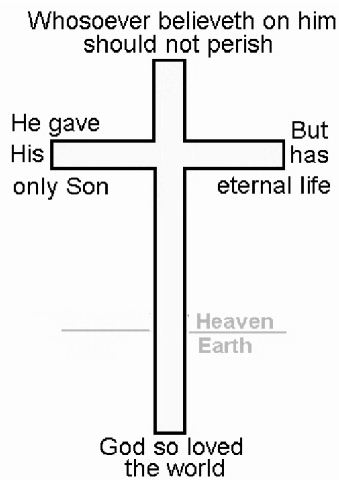

No rearrangement of scripture is necessary to see how the cross perfectly visualizes and teaches John 3:16. The world that God loves is naturally on the foot of the cross, which begins the clockwise rotation around the cross to God's only Son, Jesus Christ, who always occupies the right side as the bridge from earth to heaven. At the top of the cross are all those who believe with their spirit in God's Son, who leads to eternal life on the fourth step of the cross with the Eternal Father in that Day.

- Question 5:

Do you SEE four steps on the "God's Purpose Cross"? (Yes/No?)

If you answered No, then you cannot SEE the image of the Word of God. Close the book.

If you answered Yes then turn the page.

God's Purpose Cross

But why does God love this nasty world?

The answer to this question is EVENING, *the mother of all living* humanity, is God's first attribute and daughter. It is hard to find a father who loves his daughter any less than his son. For this reason, God so loved the world. The world is part of God through EVENING, and God is part of the world through EVENING the *mother of all living* humans. (Gen 3:20)
