

Interpretation: After three fruitless years of 666, *this year also* with fertilizer, totals four years for growth of the fig tree, which is like a four step cross without 666 transformation to 777. The daughter bound for 18 years is EVENing. The number 18 of *a woman who had a spirit of infirmity eighteen years* symbolizes lack of the Holy Spirit Mother, that results in no fruit of the spirit, and therefore must be terminated. This is Jesus' numbers of a human marked 666 in the Creation, that does not transform to 777 on the cross, who *will all perish in the same way*.

Four Days to Life After Death

Observation: It is written in John 11:17 and 11:39,40:

So when Jesus came, he found that he (Lazarus) had been in the tomb four days already. Jesus said, "Take away the stone." Martha, the sister of him who was dead, said to him, "Lord, by this time there is a stench, for he has been dead four days" Jesus said to her, "Didn't I tell you that if you believed, you would see God's glory?" Interpretation: *Fours days* in the tomb, written twice in the story of Lazarus' resurrection by Jesus, is symbolic of four attributes of God with four steps on the cross to life after death. Lazarus was raised on the seventh day after Jesus was told of Lazarus' near death sickness, just as it is the seventh sign miracle in the Gospel of John, and just as it follows the numeric theme of seventh DAY count in the foundational Creation. God's glory is Jesus' seventh-day resurrection of Lazarus from death to life after death.

Four Day Cross

According to CBBI with insight to the number seven, we then should know that Jesus arose from the grave on the seventh hour of the third day in order to fulfill forty hours in the grave.
